

# Autumn concert goes Dutch

Dutch musician Boudewijn Zwart is to visit Bournville again for a special autumn concert featuring the remarkable 'Bells Mood' carillon, at St. Francis Church.

The concert, on 16th October at 7pm, will also feature Russian musical group Trio Sonate, from the city of Saratov.

"Last year Trio Sonate invited BVT Carillonneur Trevor Workman to visit Russia, and

their visit to Bournville will be in reciprocation of this," Peter Jordan, Publicity Officer of Friends of Bournville Carillon, told Outlook.

He added; "We hope as many local folk as possible will attend the concert to give the trio a real Bournville welcome!"

Further information about Carillon events can be obtained from the Carillon Visitor Centre on Bournville Green - open Wednesday - Saturday 11.30am - 4.30pm - by ringing the Carillon Information Line on 01564 824311 or by visiting the website at <http://website.lineone.net/~carillon>
