

Much progress was made and excellent work done during 2006, and this is reflected in the Bournville Village Trust Annual Report and Accounts.

This document briefly highlights some of the activity undertaken last year, with a very busy 12 months reflected in words and pictures.

Also provided are details of the Trustees and the Executive Team, with a summary of financial statements and a detailed performance review.

The environment plays an increasingly important role in all we do. We remain committed to providing the highest level of service and to delivering a programme of renewal across the Estate. You can find out more about Bournville Village Trust at www.bvt.org.uk.
