SCHOOL ADMISSIONS INFORMATION

The new village Primary School is due to open in September 2010.

The new Head Teacher has now been appointed and will be working closely with Telford and Wrekin Council and the Temporary Governing body.

Prospective and current residents have been telephoning our estate office and our Area office to find out information about how they can place their child in the new school.

This notice is to advise that the admissions team of Telford and Wrekin Education Authority are the only people that can handle enquiries about school admissions.

They can be contacted on 01952 380903 or through the website
