

The panel was delighted to read about Lisa's tremendous efforts during lockdown. She has demonstrated dedication and commitment and has shown herself to be a natural leader. There is much to be learned from Lisa's successes going forward, which would be great to build on in the coming months.

From the nomination:

Lisa Gee set up the Bournville Covid-19 Support Group on Facebook (<https://www.facebook.com/groups/BournvilleCovid19Group> "Together we will support each other") to share information, help, initiatives and projects across Bournville.

This has been an absolute boon to many residents needing food, support or reassurance, information or advice. This could be about health, food, making things to raise donations for the Hub or the NHS. It was also vital in the early stages for people seeking the elusive legendary loo rolls and flour!

People have also been able to promote their business through the Fb page to earn some income to help them through these uncertain times.

Lisa also organised the Street Champions scheme linking residents, through WhatsApp groups, in almost every street in Bournville – a monumental achievement – to further connect and help each other.

Lisa did all this while working and home schooling two children. Definitely a star!
