

## Bournville Design Guide consultation

Thank you for your interest in this consultation. Your responses will be used to help us ensure that the new Bournville Design Guide meets the needs of current and future residents, and will be shared with our design partners, BDP, for the same purpose. Your responses will be anonymous unless you choose to identify yourself in the course of the survey. We may choose to include direct quotes from survey participants when we update stakeholders on the results of the consultation, but no comments you make that could identify you personally will be made public. The survey should take approximately 10-15 minutes to complete.

**13.** What changes would you like to see in the policies in the section on Extensions?

**14.** Which of the following best describes your view of the draft '1 metre rule' on extensions built above garages? *This rule states that extensions above garages to the side of properties must be 1m from the side boundary of the property (p30).* **Please select one option below**

The draft policy is too restrictive

The draft policy is about right

The draft policy should be more restrictive

Don't know

**15.** Which of the following best describes your view of the draft garage conversions policy on p36? *This would permit all garage doors to be removed in Zones B and C; but in Zone A (Conservation Areas) only in certain circumstances where the garage detracts from the character and appearance of the original house and streetscape.* **Please select one option below**

Too restrictive - removal of garage doors should be permitted in all circumstances in Zone A as well as other Zones

About right

Not restrictive enough - removal of garage doors in Zone A should not be permitted under any circumstances

Don't know

- 18.** Which of the following best describes your view of the draft policy on solar thermal and photovoltaic (PV) panels on p42-43? *This would permit houses in Zone C to have panels on front or side facing roof slopes. In Zones A and B, panels would only be considered on rear roof slopes.* Do you agree or disagree with this approach? **Please select one option below**

Too restrictive – panels should be permitted on front or side facing roof slopes in Zones A and/or B, as well as Zone C

About right

Not restrictive enough – panels should not be permitted on front or side facing roof slopes in any Zones

Don't know

25. What changes would you like to see in the policies in the section on Paving and parking?

26. Which of the following best describes your view of the draft policy on caravans on p69? *This would permit screened caravans to be stored to the side of houses in Zones B and C, whilst still prohibiting this in Zone A.* Please select one option below

- Too restrictive – BVT should permit screened caravans to be stored to the side of houses in Zone A, as well as other Zones
- About right
- Not restrictive enough - caravans should not be stored to the side of houses in any Zone
- Don't know

27. Which of the following best describes your view of the draft policy on paving front gardens on p66-68? *This stipulates that a minimum of 1/3 of the front garden should be landscaped, with an exception for houses with smaller gardens and terraced properties with no garage facility available.* Please select one option below

- The draft policy is too restrictive  Go to Q29 
- The draft policy is about right  Go to Q29 
- The draft policy is not restrictive enough  Go to Q28 
- Don't know  Go to Q29 

**28.** Why do you feel the draft policy on paving front gardens is not restrictive enough?

**Please select one option below**

A bigger proportion of the front garden than 1/3 should be retained as soft landscaping

There should be no exception for houses with smaller gardens / terraced properties with no garage

Both of the above
