

The Hub on The Green

27 Sycamore Road

Bournville

B30 2AA

28 November 2025

Bournville Live partners are pleased to share that the planning application to create the new green performance space on Bournville Green has been accepted by Birmingham City Council and is now open for consultation. This is an exciting step in delivering this new investment in the Green that will create an accessible and versatile space that complements the surroundings. The new performance space provides further opportunity for people to enjoy the diverse range of free cultural, arts and heritage that already take place on the Green and will improve accessibility and opportunity for future activities.

You can see the planning application here:

<https://eplanning.birmingham.gov.uk/Northgate/PlanningExplorer/DisplayAppDetails.aspx?AppNo=2025/04195/PA> using reference **2025/04195/PA**

We invite all residents to take part in the consultation and share their views.

Bournville Live partners will also soon be inviting local residents to join *Friends of Bournville Live* group, which will be an opportunity to work together to develop the cultural, arts and heritage offer across Bournville.

Yours faithfully,

John Dolan
Chair of Trustees
The Hub on the Green

on behalf of Bournville Live Partnership:
